Subject: Proposed Assessment for State Cessation Order #MC-2015-59-01, High Country Rock Co., LLC., High Country Rock Co., S/051/0011, Wasatch County, Utah

Response Due By: 30 Days of Receipt

Dear Mr. Applegate:

The undersigned has been appointed by the Division of Oil, Gas & Mining as the assessment officer for assessing penalties under R647-7.

Enclosed is the proposed civil penalty assessment for the above referenced cessation order. The cessation order was issued by Division inspector, Leslie Heppler, on October 26, 2015. Rule R647-7-103 et. seq. has been utilized to determine the proposed penalty of \$176.00. The enclosed worksheet outlines how the civil penalty was assessed.

By these rules, any written information which was submitted by you or your agent within fifteen (15) days of receipt of this Cessation Order has been considered in determining the facts surrounding the violation and the amount of this penalty.

Under R647-7-106, there are two informal appeal options available to you. You may appeal the 'fact of the violation', the proposed civil penalty, or both. If you wish to informally appeal you should file a written request for an informal conference within thirty 30 days of receipt of this letter.

The informal conference will be conducted by a Division-appointed conference officer. The informal conference for the fact of the violation is distinct from the informal assessment conference regarding the proposed penalty. If you wish to review both the fact of the violation and proposed penalty assessment, you should file a written request for an assessment conference within thirty (30) days of receipt of this letter. In this case, the assessment conference will be scheduled immediately following the review of the fact of the violation.

If a timely request for review is not made, the fact of the violation will stand, the proposed penalty will become final, and will be due and payable within thirty (30) days of the date of this proposed assessment (by January 8, 2016). Please remit payment to the Division, mail c/o Sheri Sasaki.

Sincerely,

None	0	Likely	10-19
Unlikely	1-9	Occurred	20

ASSIGN PROBABILITY OF OCCURRENCE POINTS 5

PROVIDE AN EXPLANATION OF POINTS: Event has not yet occurred. There has been no apparent activity at the site during the period permit fees had not been paid. For the event to occur, the operator would have to continue operations without first remitting the permit fees. This is considered unlikely to occur at this site. Points are assigned at the mid-point of the unlikely range.

3. What is the extent of actual or potential damage?: Damage has not occurred. Potential damage is very unlikely.

ASSIGN DAMAGE POINTS (Range 0-25) 0

In assigning points, consider the duration and extent of said damage or impact, in terms of area and impact on the public or environment.

STATE DEGREE OF NEGLIGENCE: Negligent

Immediate Compliance (Immediately following the issuance of the NOV)	<u>Point Range</u> -11 to -20
Rapid Compliance (Permittee used diligence to abate the violation. Violation abated in less time than allotted.)	-1 to -10
Normal Compliance (Operator complied within the abatement period required, or, Operator requested an extension to abatement time)	0

- B. **DIFFICULT ABATEMENT** (The operator did not have the resources at hand to achieve compliance, or the submission of plans was required prior to physical activity to achieve compliance.)

Rapid Compliance (Permittee used diligence to abate the violation. Violation abated in less time than allotted.)	<u>Point Range</u> -11 to -20
Normal Compliance (Operator complied within the abatement period)	-1 to -10
